

Technical data sheet

RFT duct system

Item number: 7490456

The raised floor trunking can be used for routing cables underneath raised floor panels. Included in the delivery are one trunking base, four trunking covers and eight locking brackets. Two trunking covers have three M25 pipe entry openings. Two trunking covers are completely closed. Separating retainers should be ordered separately.

- St** Steel
- FS** Strip galvanized
