

# Technical data sheet

## Round conductor 100 m ring

Item number: 5450090

- Usable as a conductor

**CuZn**  
37 Brass

### Master data

|                     |                 |
|---------------------|-----------------|
| Item number         | 5450090         |
| Type                | RD 8-MS         |
| Description 1       | Round conductor |
| Description 2       | 100 m ring      |
| Manufacturer        | OBO             |
| Dimension           | 8mm             |
| Material            | Brass           |
| Smallest sales unit | 1               |
| Unit of quantity    | Metre           |
| Weight              | 0 kg            |
| Weight unit         | kg/100 m        |

### Technical data

|   |         |
|---|---------|
| Number of individual wires                | 1       |
| High voltage-resistant, insulated version | no      |
| Length tolerance $\pm$                    | 5 %     |
| Material jacket                           | Without |
